THE NORTHERN TRIBUNE

MOST WIDELY READ HOME PAPER OF THE PEACE RIVER COUNTRY—"LAND OF HOPE AND BEAUTY"

Over One Hundred Attend Banquet Given By Local Seed Gowers Friday Night

Dr. K. Neatby, Head Of The Field Crops Division, Guest Speaker, Sounds Note Of Warning To The Farmers Of The Peace River Country—Cups Won At Toronto And Awards At The District Seed Fair Made Winners Make Timely Short Speeches—Banquet Left Nothing To Be Desired.

There were slightly over one hundred guests at the banquet held in the basement of St. Paul's United Church on Friday night. The speaker, Dr. K. Neatby, head of the Field Crops Division, gave a timely note of warning to the farmers of the Peace River country. He pointed out the importance of the seed and the need for better seed. He also pointed out the importance of the seed and the need for better seed.

Montrose School Concert Packs The Capitol Theatre

All Numbers Well Given—Interesting Short Play Program To A Close—Program To Be Broadcast From Peace Hall Next Sunday Afternoon.

The Carol Sing and Concert given by the Montrose Public School in the Capitol Theatre on Sunday night drew a capacity house. The school principal, Mr. J. M. Smith, who has charge of the school, extended a welcome to all those who showed their interest in education by attending the annual concert.

The chairman also thanked all those who had loaned costumes, and said a word of appreciation to the work done by Mrs. J. M. Smith, who has charge of the school, extended a welcome to all those who showed their interest in education by attending the annual concert.

The various numbers on the program expressed the joy of Christmas time and those taking part entered "The Spirit of the Season."

Following the singing of "O Canada" everyone joined in singing "Joy to the World."

Berlin gave a little bit, then gave two piano selections, "Glimmer Song" (Schubert) and "The Rose Tree" (Leon Aubrey). In both selections Bernice gave a fine interpretation.

Under the direction of Miss Ruth Robertson, grade III gave an admirable rendition of the Christmas song, "O Holy Night." In this number the pupils were dressed in pyjamas.

The dialogue, "Silent Christmas," under the direction of Miss Mary Robertson, proved very popular.

In the carols, "Three Kings and Good King Wenceslas," Wright, Graham Thors, Douglas Gant, James Thompson and Leonard Cook did exceptionally well.

Marion Thors was delighted in her piano solo, "Sea Song" (Thos Dunhill).

"Carol, Carol Christmas" by grade III was also well received.

"Christmas Bells," given by Grades IV, V and VI directed by Miss Clifford, was most pleasing. The singing of this large group harmonizing splendidly.

The play, "The Christmas Wish," was a fitting finale to bring the program to a close.

The cast were: The King, Francis; Prince, Stanley; Princess, Ruth; Angel of Illusion, Nora; Wise Men, M. H. Bennett, Ernest Nelson and Bill Miller.

These young folk read their lines well and in a tone that had been heard through the theatre.

The chairman announced that the program would be broadcast from the Peace Hall on Sunday next and asked the boys and girls to be on hand not later than 3 o'clock.

The Beaver Lodge Boy Scout Troop held a Big Toy Shop.

BEAVER LODGE, Dec. 21.—The Beaver Lodge Boy Scout Troop has ended their first venture as carpenters, painters, mechanics, seamstresses, and whatnots in repairing broken toys and dolls of all descriptions under the leadership of Scoutmaster, Hubert Sumner.

The response to the public for cash donations as well as broken and discarded toys was well taken and the boys' cooperation given them the boys were able to mend enough toys to give to over a hundred children in the district who would otherwise not have received a gift from Santa.

King's Speech To Be Heard Here On Xmas

Through the courtesy and cooperation of the Canadian Broadcasting Corporation, C.B.C., of Edmonton, C.F.P. is privileged to re-broadcast the King's speech on Christmas Day at 2 o'clock.

The speaker congratulated J. B. Black, District Agricultural representative, who was the guest speaker, at the outset of his address said that people are very prone to judge agriculture from their own area.

"When the land is gone, the humans will go," said the speaker, who went on to say that with men come in they cut down the trees, the rancher over the forest and eventually the land is destroyed.

Dr. Neatby then took up the matter of erosion. When there is bush the moisture rain goes down and the land is not subject to torrential floods. Once erosion has set in it is generally more or less permanent.

The speaker then made the astounding statement that the land in portions of the Peace River country is being destroyed by the continued planting of tobacco, maize and cotton.

The speaker then made the astounding statement that the land in portions of the Peace River country is being destroyed by the continued planting of tobacco, maize and cotton.

A.Y.P.A. Make Big Hit in "The Bishop Misbehaves"

In The Character Of The Bishop Alex Campbell, W. A. Excellent, As Was Also Mrs. Banger-Davies, In The Role Of The Dowry, The A.Y.P.A. Made A Big Hit In "The Bishop Misbehaves" A Tasty Theatre Well Filled.

When a Bishop misbehaves it is not a laughing matter, but when one actually witnesses his wrong doing, and he is caught in the act, then it is the chance of a lifetime.

For a trifling sum that chance was offered to the public on Friday evening last, in the Old Capitol Theatre, and there, many who seized the unique opportunity, for the hall was packed almost to capacity.

It does not matter to Alex Campbell whether he is a Bishop or a misbehaver, he is thorough in his work. In an act of misbehaving, he is thorough in his work. In an act of misbehaving, he is thorough in his work.

On Wednesday, the Bishop Alex Campbell, W. A. Excellent, As Was Also Mrs. Banger-Davies, In The Role Of The Dowry, The A.Y.P.A. Made A Big Hit In "The Bishop Misbehaves" A Tasty Theatre Well Filled.

Town Council Hold Last Meeting Of The Year 1937

J. M. Smart Interviews Council And Presents Report On The Year's Work. Council In Regard To Stairs Keeping Open By R. B. Miller, And To Other Routine Business And Relief Matters Deal With.

The last council meeting for 1937 was held on Monday evening, December 22nd, at 8 o'clock. The following were present: Mayor Tooley, Councillors Simpson, 2nd and 3rd, and Oliver.

The agenda was a light one with the council dealing with routine matters. The first item was the report of the Mayor, which was read and approved.

The Mayor's report was a summary of the work done during the year. He mentioned the fact that the council had held 12 meetings, and that the town had a very successful year.

The Mayor then presented a report on the work of the various departments. He mentioned the fact that the town had a very successful year, and that the council had held 12 meetings.

THE NORTHERN TRIBUNE

Published every Thursday at Grande Prairie, Alberta.
Holder of Alberta "Better Newspaper" Shield for Year of 1937-38.

The Tribune's aim is to thoroughly "cover" the local news field with fairness to all sections and parties, also to aid in the development of the Peace River Country and help make known this northern inland empire's assets and advantages as a home-land. All news is printed without intentional distortion. The paper's opinions are expressed only in its editorial column.

Letters for publication are welcomed. A pen name may be used, but correspondence must also sign the proper name, not necessarily for publication, but as evidence of good faith in publishing a communication. The Tribune does not imply agreement.

Legal and other advertising rates furnished on application.

Subscription Rates:
One Year, in British Empire, \$1.50
One Year, in United States, \$2.00
J. B. YULE, Editor.

THURSDAY, DECEMBER 23, 1937
TO OUR DISTRICT REPORTERS
ADVERTISERS AND SUBSCRIBERS

With 1938 only a few days away, The Tribune wishes to take this opportunity to thank the district reporters who during the year have faithfully been in the news of their territory, and to extend to them the season's greetings.

It is largely due to their fine service that The Tribune maintains its position as the "Most Widely Read Home Paper of the Peace River Country." No weekly paper can get very far without good live district reports. In this respect The Tribune is very fortunate.

Thanks are also due the many stores and other businesses and individuals who use the advertising space of The Tribune. The revenue from this source, added to that from subscriptions, makes possible the high quality of news service and craftsmanship which secured for The Tribune this year the coveted "Better Newspaper" trophy for Alberta.

To subscribers The Tribune wishes to express sincere appreciation of their loyal patronage. Without the stimulation of constant subscription campaigns, they have called to the paper's support, recognition and have sent or brought in their subscriptions without any added inducement.

The Tribune hopes that the year will be as prosperous for everybody.

Along the Trail
By J. B. YULE

COT THE FARMER'S GOAT
At the head of the banquet held on Friday night, during which the drought problem was discussed, George Chard, superintendent of food elevators in the Peace River, who, by the way, has the happy faculty of telling a story, told this one:

A young man was sent out by a

mortgage company into a drought area to make a survey of everything on the farm.

After checking up there was still one animal left which was not on his list. He was, however, a sheepdog, and the man described the animal, which was something like this: "It has a whip and a tail of hair on the top of its head."

"You've got the goat," he said. "The young man had never seen a goat before."

ABLE LEADERSHIP LANDS GROUP OF MEN IN THE PIE SECTION

The writer has held the opinion for many years, that able leadership is absolutely necessary if we are to get out of our difficulties. An experience which occurred at the head of the Peace River, held in the basement of St. Paul's United Church on Friday night of last week, bears out the logic of this viewpoint.

Following the announcement, "Dinner now ready, we, dining, everyone filled downstairs."

It was my good fortune to make the descent with a group of men who were led by a very tall man, who evidently had made a study of the subject. He was a very tall man, who evidently had made a study of the subject.

He was a very tall man, who evidently had made a study of the subject. He was a very tall man, who evidently had made a study of the subject.

He was a very tall man, who evidently had made a study of the subject. He was a very tall man, who evidently had made a study of the subject.

Over 100 Attd...

(Continued from Page One)

According to witnesses, he added, it takes one thousand years to make one bush of soil.

In the opinion of Dr. Neatby, a system can be adopted to preserve the soil and improve it and at the same time make a profit. If farmers continue to follow it, it will result in ruin, he declared, and added: "We must budget for permanent agriculture."

Dealing with the question of grey soils Dr. Neatby said that almost anything in the way of forest crops can be grown on such soils. "If we do not take care of the soil, we are headed for disaster," he declared, and added: "In conclusion Dr. Neatby observed that most of the problems were not solved by government men but by men on the land."

The advice he gave was two years of leasings and two years of cropping, adding that details must be worked out right on the farm.

A letter was then read from Mr. and Mrs. Hermann Trude, expressing regret that they could not be present and wishing the banquet every success.

W. A. Albright, who spoke briefly, said that some years ago there were signs that the soil was being ruined. "No leasings need apply," he was heard to say.

He then read a list of names of persons who had made a record in agriculture in Canada.

Mr. Albright closed Dr. Saunders, who was born in England, the greatest agriculturist the world has produced in the last century.

"We have Dr. Neatby, also born in England," he said.

Father Conway congratulated the boys who had made a record in agriculture. From what he heard at the banquet he did not think there was anything really to fear in this area so far as agriculture is concerned.

Mr. Neatby said that he was sorry that he could not be present and wished the banquet every success.

W. A. Albright, who spoke briefly, said that some years ago there were signs that the soil was being ruined. "No leasings need apply," he was heard to say.

He then read a list of names of persons who had made a record in agriculture in Canada.

Mr. Albright closed Dr. Saunders, who was born in England, the greatest agriculturist the world has produced in the last century.

"We have Dr. Neatby, also born in England," he said.

Father Conway congratulated the boys who had made a record in agriculture. From what he heard at the banquet he did not think there was anything really to fear in this area so far as agriculture is concerned.

Mr. Neatby said that he was sorry that he could not be present and wished the banquet every success.

W. A. Albright, who spoke briefly, said that some years ago there were signs that the soil was being ruined. "No leasings need apply," he was heard to say.

He then read a list of names of persons who had made a record in agriculture in Canada.

Mr. Albright closed Dr. Saunders, who was born in England, the greatest agriculturist the world has produced in the last century.

According to witnesses, he added, it takes one thousand years to make one bush of soil.

In the opinion of Dr. Neatby, a system can be adopted to preserve the soil and improve it and at the same time make a profit. If farmers continue to follow it, it will result in ruin, he declared, and added: "We must budget for permanent agriculture."

Dealing with the question of grey soils Dr. Neatby said that almost anything in the way of forest crops can be grown on such soils. "If we do not take care of the soil, we are headed for disaster," he declared, and added: "In conclusion Dr. Neatby observed that most of the problems were not solved by government men but by men on the land."

The advice he gave was two years of leasings and two years of cropping, adding that details must be worked out right on the farm.

A letter was then read from Mr. and Mrs. Hermann Trude, expressing regret that they could not be present and wishing the banquet every success.

Old-Time Woman In Buffalo Lakes Dist. Laid To Rest

Mrs. J. Rolstad, Almost Eighty Years
Of Age, Was Born In Norway.
Came To District In 1924—Highly
Esteemed At Who Had The
Good Fortune To Know Her.

SEXSMITH, Dec. 17.—On Saturday, December 11, the Buffalo Lakes district laid to rest the remains of an old-time woman, Mrs. J. Rolstad. In spite of the cold weather, many friends and neighbors turned out to pay their last respects to the departed one, who was laid to rest in the funeral home cemetery at Buffalo Lakes.

Karen, Mrs. Rolstad, was born in Bardu, Norway, on March 4, 1858. Among the valleys and mountains of which her native country is so rich she spent the largest part of her life. There, she learned from Nature's splendor that life was created all things are still alive, and in youth she learned to love Him who paid it all. In him she remained steadfast unto the end and passed away into the glorious hope of seeing Him face to face.

In 1888 she was married to John Rolstad, who lived with her for two years. Of this union nine children were born, seven of whom are living, also fourteen grandchildren.

Her son, John, who is now living, together with her husband and children, came to this country to spend their lives.

She passed away on December 11, 1937, at the grand old age of almost eighty years. Besides the children and grandchildren she leaves to mourn her loss a brother, Mr. O. L. Rolstad of Sexsmith.

The many floral tributes indicated the esteem in which she was held. Pallbearers were P. Stein, H. Jonsson, Lars Lofgren, F. Forseth, J. Lofgren, and B. Throness.

Best are the dead who die in the Lord.

BEAVER LODGE BLUE BOMBERS DOWN LOCAL TOM CATS BY 4 TO 3 SCORE

"The Sexsmith 'Tom Cats' traveled to Beaver Lodge on Sunday last and were defeated by the Blue Bombers. The final score being 3 to 4. The game was very sticky, and although scraped after each period, there was almost no time, which was not conducive to fast hockey. The referee was over-zealous of the puck, which insisted on ruling on every minor infraction, refusing to let it down. It was hard to play. Night hockey is a game being interrupted by the flash of a minor nature, were about equally divided, and the game was handled impartially by two referees.

Both teams had their regular line-ups for the evening. The local team of Sexsmith, who cracked a rib the previous day and was unable to play.

A number of Sexsmith supporters were there to back their team, although the roads were pretty rough in spots, owing to the Chinook.

SEXSMITH HIGH SCHOOL DEFEATS G. P. HIGH SCHOOL

The Grande Prairie High School hockey team visited Sexsmith last Saturday and played the local High School, the final score being 3 to 0 in favor of the home team. Fred McNaughton handled the ball.

A return game will be staged in Grande Prairie in the near future. B. A. Trout, this is absolutely untrue, as there was during the game. People should be sure of their facts before starting rumors like this.

CAT FOR MASCOOT

We have been informed that Jimmy, who is going to present a mascot to the Sexsmith hockey team, is a cat. So all you kids that have any four-legged animals of this species are asked to bring them in to Jimmy for examination. Measles, mumps, and whooping cough are being looked for. The cat being the mascot, it is being looked for.

LA GLACE AND SEXSMITH RINKS DUE HONORS

La Glace, Quebec, which sent in two teams Wednesday, December 15, for a friendly game, lost to Sexsmith, 3 to 0. The Sexsmith rink, which was led by J. A. Weicker, Jr., and J. A. Weicker, Jr., won the game. The Sexsmith rink, which was led by J. A. Weicker, Jr., and J. A. Weicker, Jr., won the game.

Many Residences Built At Sexsmith During Year 1937

Not A Vacant House In Town—Seven
Elevators, Six Being Operated—
Many Buildings Improved During
The Year—Eight New Residences
Constructed.

In looking over the past year, we find that Sexsmith has not fired too badly. There were eight new residences constructed, a flour warehouse, a new restaurant, a general merchant, radio shop, butcher shop, one more automobile and a Lutheran church.

There is not a vacant residence in town and we still have our seven elevators. Many buildings were improved during the year.

FINE ENTERTAINMENT ENJOYED AT THE CHRISTMAS CONCERT

The Christmas concert held at the Stalberg Hall on Monday evening was one of the best entertainments of that kind ever held in Sexsmith, which is saying considerable credit for the efforts of the Sexsmith school.

Poland is fundamentally an agricultural country with 64 per cent of its 5,000,000 population engaged in agricultural pursuits. Rye is the principal export crop. In 1936 Canadian exports to Poland were valued at \$400,000.

Police Assistance
The moon little boy came up to the policeman on the street corner. "Excuse me, policeman," he said, "I've been waiting here for my wife for ever half an hour. Would you let me know when she comes?"

Six-year-old Mary woke about two in the morning. "Tell me a story, Mamma," she pleaded. "Daddy will be in soon and tell me a story," said mother. "Daddy will be in soon and tell me a story," said mother.

At one time, the penalty was more severe for killing a stag than for killing a human being in England.

TO HOLD BOXING DAY
The town council have decided to hold a boxing day on December 27, which will be a holiday. Boxing will be closed on that day.
